

## Cultipack Seeder 910

The Cultipack Seeder is ideal for the seeding of smaller or more sensitive areas, the stand-on chariot is towed by a two-wheel tractor for speed and manoeuvrability. The rings on the tractor create furrows for the seed before the machine accurately distributes seed ready for covering & germination.

### Specifications

|                          |                                         |
