

Grader 1800

The Grader 1800 levels the ground by moving material from high to low areas, the integrated ripping tines can be lowered to help break-up tough soils while the blade ensures a smooth finish. The hydraulically controlled rear wheels allow the depths to be changed from the tractor for optimum results

Specifications	
SKU	192.180.004
Operation	tractor pulled
Working width (m)	1.8
Working width (inch)	70.8
Max. Working depth (mm)	Depending on the conditions and the required result
Max. Working depth (inch)	Depending on the conditions and the required result
Max. Working speed (km h)	Depending on the conditions and the required result
Working speed (mph)	Depending on the conditions and the required result
Weight (kg)	683
Weight (lbs)	1506
Number of tines	8 ripping tines
Min. Tractor HP required	40
Min. Pressure (bar)	1.5
Min. Pressure (psi)	21.75
Required connections	Double acting valve
Lubricant	EP 2
Dimensions (width mm)	1.8
Dimensions (height mm)	1.2
Dimensions (length mm)	3
Dimensions (width inch)	75
Dimensions (height inch)	47.1
Dimensions (length inch)	118
